

Walkie Talkie Radio Fact Sheet

Kirisun PT4200 walkie-talkie	
 A black Kirisun PT4200 walkie-talkie. It has a long, thin antenna on top. Below the antenna are two rotary knobs: a black one on the left and a red one on the right. The front of the device has a speaker grille with horizontal slats. The brand name "Kirisun" is printed in white above the grille, and "PT4200" is printed in red below it. There is a yellow LED indicator light on the left side of the device.	<ul style="list-style-type: none">• Good general purpose professional walkie-talkie – full power (4w UHF)• Ofcom licence needed in the UK• Size 102 x 48 x 30mm exc. antenna• Antenna length 100mm• Weight 215g inc. battery• Battery 1200mAh Li-Ion• Rotary on/off/volume knob & rotary channel selector• 16 programmable channels• Emergency button with siren sound & remote sending• Low battery alert• Integral belt clip• Uses industry-standard "Kenwood" style twin jack audio socket• Comes with battery and drop-in desk charger unit
